Which is more important: lightweight maneuverability and easy storage, or heavy-duty performance and durability?

Lightweight & Portable

Heavy-duty durability

**Folding Platform Truck** \$

SKU: MK988, MK989

Ideal for use in delivery vehicles and light-duty industrial settings, the folding platform truck is easy to store due to its small profile and light-weight frame. Folding platform trucks come in two different platform and caster sizes and can support maximum loads of 440 to 660 lbs.

How much weight does the cart need to support?

Less than 1500 lbs

More than 1500 lbs

What kind of terrain will the cart be used on?

Do you need a cart with a wood or steel deck?

Even, paved ground

Uneven or unstable terrain

Do you need a cart with a wood or steel deck?

Wood

**Liquor Platform Truck** \$

SKU: 890/EK210

Liquor platform trucks are the perfect solution to a variety of warehouse applications, particularly those in the liquor and food industry. A replaceable wood deck helps extend the life of each of these carts and provide a shock-absorbent surface for loads.

Steel

**Medium Duty Steel Platform Truck** \$

SKU: 890/S2436-5, 890/S2442-5, 890/S2448-5

With two fixed casters and two swivel casters, medium duty steel platform trucks are the standard for most industries that require flat-deck transportation of goods. Whether you need a solution for a tool crib, a warehouse, or any other industrial application, these carts are the perfect option for light- to medium-duty loads.

**Wagon Carts** \$ \$ \$

SKU: 890/WW2448-P, 890/WW3060-P, 890/WS2448-P, 890/WS3060-P

Wagon carts are ideal for any job that requires the transportation of loads over rough terrain without compromising on durability and strength. They are useful for all kinds of industries, including nurseries, shops, farms, and construction sites.

Wood

**Wood Platform Truck** \$ \$

SKU: 890/W2448-8, 890/W3060-8  
Able to support up to 2000 lbs, wood platform trucks are ideal for garages, shops, warehouses, and any other industry that requires shock absorption and protection for loads. These carts come with various deck sizes to suit any need.

Steel

**Heavy Duty Steel Platform Truck** \$ \$

SKU: 890/S2448-6, 890/S2448-8, 890/S2448-P, 890/S3060-6, 890/S3060-8, 890/S3060-P, 890/S3672-6, 890/S3672-8, 890/S3672-P

Heavy-duty steel platform trucks are the most commonly used system for transporting heavy loads of goods for most industries. Their removable handles and extremely durable frames make them a staple for storage and industrial applications. They are available with both pneumatic and rubber wheels and a variety of deck sizes.
