ROUSSEAU, WORKING WITH YOU SINCE 1950

Our **Personalized Global Tech Workcenter** is an excellent choice for your technicians as our Team has designed and engineered it with your needs in mind. Our goals are to **understand your priorities, create and make improvements**, and to give you the **freedom to choose your own solution**.

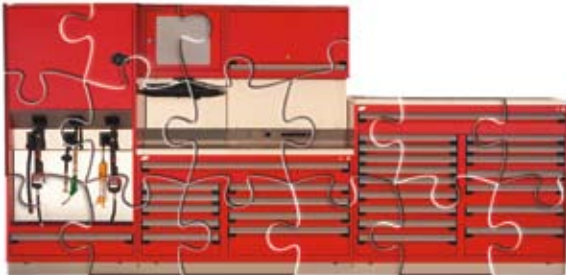

Rousseau invests a great deal in **product development**, modernizing our equipment, and acquiring the **latest technology** and most qualified personnel.

Our cutting edge technology enables us to offer the highest quality products in terms of concept, manufacturing and finishing while also ensuring that **modularity, design and personalized requirements** are never compromised.

Sun Motor Cars Mercedes (PA)

Why choose Rousseau ?

Our **quality, performance** and the “**small details**” that make all the difference.

Our complementary product designs: we offer **storage solutions** that can be easily adapted for **both Service and Parts Departments**.

Our Expertise. Rousseau has been providing the best storage solutions for **almost 60 years!**

ROUSSEAU EXPERTISE

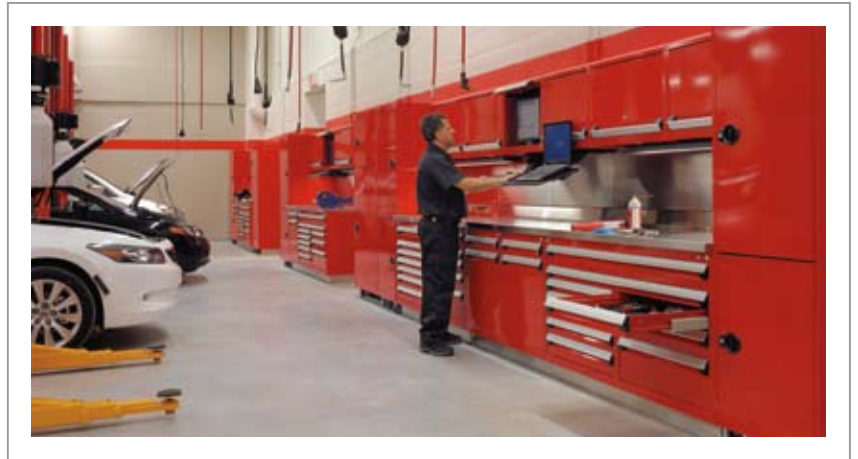

All of our **products** are **designed, manufactured** and rigorously **tested in North America** to meet the highest standards of engineering and quality.

Our Specialists are available to **help through each phase of your projects**. They have the experience and technical knowledge to recommend the configurations that best suit the needs and requirements of your individual dealership.

The Rousseau tool drawer rolling mechanism is covered by a lifetime warranty
