

Mobile Storage Systems

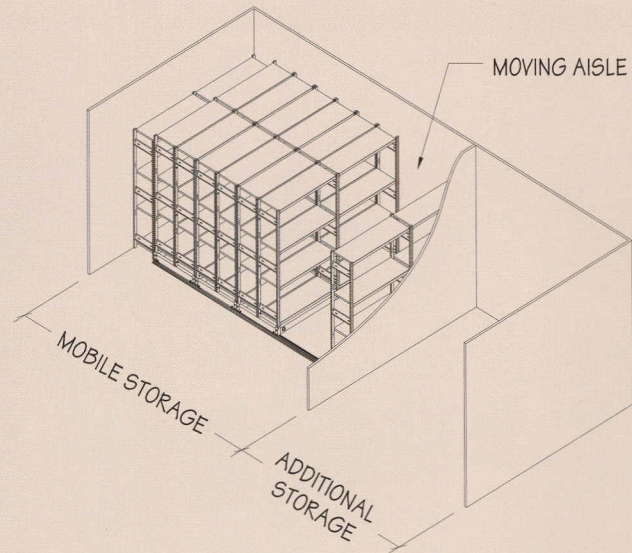

Your Single Source Supplier

Traditional

Mobile

- **Traditional Shelving requires several aisles**
- **Mobile Shelving reduces the number of aisles required**
- **Fewer aisles = More shelving**
- **Store up to 50% more in less floor space with a EZR Mobile Storage System**

The Mobile Shelving Advantage

- Reduce your floor space requirement
- Store product more efficiently and increase storage capacity
- Improve access time and productivity
- Lower your operating costs
- EZR Mobile Storage Systems provide a quick Return On Investment

The Retail Mobile Shelving Advantage

- Increase the space utilization of your Stockroom
- Reduce the size of your Stockroom
- Allocate Additional Square footage to retail selling space
- Maximize Sales opportunities through increased stock levels at the point of sale

“You may think its up front that counts but the profits start rolling in from the stockroom that is efficient and organized with an EZR Mobile Storage System”
